

CRAFTSMAN® V60* Outdoor Power Equipment, Now Available

Combining cordless convenience, power, and runtime to meet yard care needs.

TOWSON, MD (April 2, 2019) – The CRAFTSMAN® V60* Cordless System of outdoor power equipment – announced in August 2018 at the CRAFTSMAN launch event in Baltimore, Maryland – is now fully available at retailers across the United States and Canada.

Six cordless tools, including the V60* Cordless 21-In. 3-in-1 Self-Propelled Lawn Mower Kit (7.5Ah), V60* Cordless 15-In. Brushless Weedwacker® String Trimmer With Quickwind™ Kit (2.5Ah), V60* Cordless Brushless Axial Blower Kit (2.5Ah), V60* Cordless 16-In. Brushless Chainsaw Kit (2.5Ah), V60* Cordless 24-In. Hedge Trimmer Kit (2.5Ah), and V60* Cordless 21-In. 3-in-1 Push Mower Kit (5.0Ah), offer homeowners durable cordless options that power through yardwork.

For the yard care-obsessed who take pride in a lawn that is the envy of the neighborhood, the CRAFTSMAN V60* System of outdoor power equipment is a convenient and powerful option. Key to the line is the [V60* Self-Propelled Lawn Mower](#) which can complete up to 70 minutes of no-load runtime per charge with a V60* 7.5Ah Battery. Its self-propelled motor helps the user maneuver the mower with ease. The V60* Push Mower can complete up to 60 minutes of no-load runtime per charge with a V60* 5.0Ah Battery. In addition to the convenience and performance benefits of these battery-powered mowers, vertical storage saves 2/3 of the space required to store the units horizontally**. The mowers also offer a 3-in-1 deck for mulching, bagging, and side discharge.

The remaining products in the CRAFTSMAN V60* System of outdoor power equipment incorporate hang hooks that are VERSATRACK™ compatible. VERSATRACK™ is a wall organization system that allows users to organize and store common items found in garages as well as other CRAFTSMAN products. Key features of the remaining outdoor power tools are as follows:

- [V60* Cordless 15-In. Brushless Weedwacker® String Trimmer With Quickwind™ Kit \(2.5Ah\)](#) - Featuring an efficient brushless motor and two-speed variable switch, this tool comes with a bump feed system and easy line replacement. It has a 15-In. cutting swath and dual 0.080-In. twist line. Its ergonomic telescoping pole and adjustable handle allow for use in multiple orientations.
- [V60* CORDLESS BRUSHLESS AXIAL BLOWER KIT \(2.5Ah\)](#) – At less than 10 lb. (bare tool), the V60* Axial Blower features an efficient brushless motor, a variable speed trigger and delivers up to 600 CFM and 110 MPH.
- [V60* CORDLESS 16-IN. BRUSHLESS CHAINSAW KIT \(2.5Ah\)](#)– Weighing less than 10 lb (bare tool), the V60* 16-In. Chainsaw features an efficient brushless motor, auto-oiling, and tool-free tensioning for minimal maintenance. A bubble level ensures precise and level cutting.
- [V60* CORDLESS 24-IN. HEDGE TRIMMER KIT \(2.5Ah\)](#)– The V60* 24-In. Hedge Trimmer features a 24-In. laser cut, dual-action blade, and a full bale handle for maximum maneuverability. A 3/4-Inch blade gap quickly cuts branches and the power saw tackles larger branches up to 1-1/2-In. thick.

The CRAFTSMAN® V60* System offers the power and performance needed to complete a wide variety of yard care tasks efficiently. Pricing for the products mentioned is available below. Each product in the V60* System from CRAFTSMAN is backed by the CRAFTSMAN 4-year limited warranty, 90-day money back guarantee.
