

CRAFTSMAN® Announces Newly Redesigned Iconic S2000 Series Metal Storage Solutions

Proudly Manufactured in Sedalia, Missouri with Global Materials

TOWSON, MD, Dec 2, 2021 - Reengineered from the ground up, CRAFTSMAN today announced a new redesign of its S2000 series of metal storage solutions, continuing the company's legacy to offer a variety of organization solutions to get the job done in the garage, workshop, or shed.

"Proudly manufactured by nearly 1,000 hard-working employees in Sedalia, Missouri using global materials, CRAFTSMAN is committed to building our S2000 series metal storage solutions for our proud American makers and doers," said Matt Sallee, Director of Product Management - Automotive Storage. "Our refreshed S2000 series is keeping its iconic design, while adding new and upgraded features to ensure the highest quality our customers expect."

In addition to the S2000 series classic features like soft closing ball bearing drawers, new features include I-Frame construction with bumpers, integrated pegboard holes, upgraded casters, center access power strips, included drawer liners and more.

The redesigned CRAFTSMAN S2000 Series units include the 26-In. 4-Drawer Tool Chest (CMST98267RB), 26-Inch 5-Drawer Rolling Tool Cabinet (CMST98268RB), 41-In. 6-Drawer Tool Chest (CMST98269RB), 41-In. 10-Drawer Rolling Tool Cabinet (CMST98270RB), 41-In. 7-Drawer Workstation (CMST98271RB), 52-In. 8-Drawer Tool Chest (CMST98272RB) and 52-In. 10-Drawer Rolling Tool Cabinet (CMST98273RB).

Units are available in red or black and a variety of configurations which include updated features such as:

- Pegboard added to chests and cabinets units for storage customization
- Upgraded casters with toe locking brakes that support a 1500-Lb. overall load rating
- Steel I-Frame construction with bumpers added to chest to help increase durability
- Full-grip telescoping chest and tubular cabinet handles for professional-grade mobility
- Included pre-cut non-slide drawer liners
- Internal locking system with over-molded CRAFTSMAN logo key
- Centered access power strip for convenience
