

CRAFTSMAN® Wins Six 2025 Pro Tool Innovation Awards

Reinforcing its commitment to empowering DIYers throughout their home, yard and garage, CRAFTSMAN is proud to bring home six Pro Tool Innovation Awards (PTIA) for 2025. The awards represent the year's most groundbreaking products spanning tools, outdoor equipment, storage solutions and more.

What are the Pro Tool Innovation Awards?

Presented annually by industry outlet *Pro Tool Reviews*, the PTIA program spotlights the most innovative products in the industry that raise the bar in design, usability and performance. The awards are judged by a panel of experts, professionals and industry veterans.

"The Pro Tool Innovation Awards exist to honor the best of the best," said Clint DeBoer, General Manager for the PTIA. "We are thrilled to see the level of innovation this year, especially with so much stiff competition. This awards program continues to showcase the cutting edge of product development, and each winner truly exemplifies what the awards stand for."
